

The Claresholm Advertiser

Vol. 1, No. 26

CLARESHOLM, ALTA., WEDNESDAY, OCTOBER 7th 1914

Subscription, \$1.50 Per Year in Advance

The Advertiser has almost recovered its regular schedule of which pressure on the job rooms caused the disarrangement. We are assured from the News-Telegram that the War Bulletins will be resumed without interruption and with better service. We have arranged to bulletin the games of the Championship Series for world's baseball honors, three bulletins of each game being given. The first game we were able to bulletin at 1.45 p. m.

Boston Wins First

The Advertiser runs a little short on news this week, a condition that will be remedied next issue. The delay in issue this week enables us to give the results of the first game in the World's Base Ball Championship series at Philadelphia to-day (Friday) with Boston the winner of a 7 to 1 score. Bender and Rudolph were the opposing pitchers.

The Sort of Men Kitchener Wants

More Canadian soldiers are called for—twenty thousand is the number—for the fighting line. Canada will give them, gladly, proudly and enthusiastically. A division of 20,000 troops, with its complements of cavalry, artillery and service men, make a formidable little army of itself. Not many centuries ago it would not have been regarded as a great army, sufficiently large to turn the tide in almost any conflict. On so vast a scale, however, are the operations of the present war being carried on that it is a comparatively unimportant unit as far as size goes. When all the figures are available it may be found that the losses on both sides in a single day of the first week along the Aisne may equal its mere numbers.

That is not the point, however. It is quality that tells, and this Canadian force will be second to none in the mighty host engaged in the task of driving the Germans out of France. The first contingent elicited unstinted praise from all the military experts privileged to see it. Every man was a marksman; every man was fit, having passed the most rigid examination and re-examination; every man was a tireless worker and inured to every sort of weather; every man was a volunteer, full of patriotic ardor and that disciplined power of initiative and self-reliance which makes such a soldier worth three times his price. This is the sort of men Kitchener wants. With thousands of eager applicants she will be able to pick and choose.

Lyndon

W. A. Lyndon has finished threshing and reports that fall wheat went 38 bushels to the acre. The storm last Saturday was the worst for years but the cattle are doing nicely.

Won at Carmangay

One of the most notable features of the Carmangay Fair last week was the display of vegetables, according to W. J. Stephen, of the Claresholm School of Agriculture, who judged these classes. August King, of Meadowbrook Farm, near Claresholm, won the McKenzie prize for the best display of vegetables. Mr. King won this special with 16 heads and 8 seeds.

Speech from the Throne

MR. SPEAKER AND GENTLEMEN OF THE LEGISLATIVE ASSEMBLY:

It gives me great pleasure to welcome you to the second session of the Third Legislature of the Province of Alberta.

The fact that the Empire of which we form a part is now in a state of War, renders the present occasion probably the most serious in the history of your Assembly, and your best effort will be required to meet the unusual conditions consequent upon the existing state of affairs in the Empire.

As a consequence of the War, it has been considered both a duty and a privilege that troops should be raised in the Dominion of Canada for the purpose of assisting His Majesty's Government, and I feel deeply gratified that the people of Alberta have responded to this call in a larger proportion than any other Province in the Dominion of Canada.

My Government has considered it advisable to give practical assistance in the way of supplies to the Imperial Government, and the fact that the Province of Alberta was the first Province to take this course and, up to the present time, the most liberal in proportion to population, has been to me a source of great gratification and has received widespread commendation from all parts of the Empire.

The practical unanimity with which the Civil Service of Alberta have approved the proposals for assistance to the dependants resident in Canada of those taking part in the War has been to me a source of great pleasure, and the liberal subscription will not only be of great assistance in itself but has already as an example to others greatly enlarged the funds of the Canadian Patriotic Association and will be of material benefit in saving from suffering those who should be the pride of our people.

Only one classically essential Public Bill will be introduced at this Session, and as the Private Bills are limited in number it is hoped that at this session time you may not be long detained from your other duties.

The Public Accounts for the last fiscal year will be laid before you, as well as the Estimates of the amount required for expenditure during the coming year, all prepared with due regard to economy and the requirements of the Public Service.

GENTLEMEN OF THE LEGISLATIVE ASSEMBLY:

I now leave you to the business of the Session, having full confidence that your deliberations will be divinely guided to the best interests and welfare of the Province.

Plenty Moisture Now

One of the heaviest snow-storms of the past several years for so early in the season, commenced to fall on Saturday morning last and continued until Monday, blocking the country roads and causing some inconvenience and minor losses to stockmen in the district, but gladdening the heart of the wheat farmer and incidentally brightening the prospect for the feeding of the war-stricken nations of Europe.

STALLION FOR SALE

Claresholm Locals

T. A. Price has moved to the First house on First Av., east of Frank Murray's.

Roy Roby left last week for Edmonton where he will take a commercial course.

The public school was closed on Monday on account of the storm and the blockade of the roads.

Mrs. J. F. Bernards entertained about ten couples at a pleasant little house dance on Friday evening.

Willard McKinley left last week for Edmonton to take up his second year's work at the University of Edmonton.

Messias Elmo Jones and Sam Magwood are in charge of the tables at the Chicken Pie Supper at the Methodist Church on Monday next.

The Mission Circle of the Methodist Church indulged in a sleigh ride on Tuesday evening, finishing up by a social evening at O. J. Amundsen's.

The teachers had a sleigh-ride to school on Tuesday, as J. A. Grand succeeded in breaking his way to town with Miss Isa and thoughtfully called around for the others.

Principal Stephen and the staff of the Claresholm School of Agriculture are busy preparing for the opening on October 27th and for the large class which is already enrolled.

The Advertiser is informed that Miss Todd has resigned her position on the staff of the public school to take effect at the end of this month and she will return to her home in the east.

Miss Gordon has resigned her position at the postoffice and will go shortly to Vancouver to train as a nurse. Margaret Laidlaw, formerly of The Advertiser staff, takes the vacant position.

J. F. Anderson, of Raymond, Alta., wrote here last Thursday on the English paper of the final year in Agriculture, by special permission from the University of Toronto, Principal W. J. Stephen, of the School of Agriculture, presiding.

The Jas. Clark Co. sale which has been going for several days has been extended 7 days owing to the inclement weather during the early part of the week. Comments on the street say the values offered set a new pace in sale bargains in Claresholm.

Remember the Chicken Pie Supper at the Methodist Church next Monday night (Thanksgiving) under the auspices of the Ladies' Aid Society of the church. There will be a concert at the close of the supper. Be around at 6 p. m. and get the choicest of the spread.

R. K. Pek has rented his house furnished to G. H. Carney and will make his home in Calgary. He and his daughters, Lillian and Muriel left on Saturday for the ambitious city. Mr. Pek has received the appointment from the Alberta Co-operative Farmers' Elevator as adviser of "locals" and the little girls will attend school in Calgary.

In Belgium, there is increased activity in the Belgian army and they have taken the offensive on their line Malines to Aerschot. A threat has been made by the Germans that an uprising on the part of the citizens will be punished by the destruction of the city of Brussels. The Germans are said to be bringing up gigantic siege guns for an attack on Antwerp.

Very Near 'The Front'

A letter, dated Sept. 22nd, from Jas. Cummings, a British army reservist and employee of The Advertiser, was received this week from Hull, Yorkshire, England, in which he says, in part, "No doubt you will be wondering in what part of the world I am. We landed here in England two weeks ago today. We have been on the go ever since. Our voyage took two weeks and a day and I must say that it was one of the worst sea trips I have ever made as the food was simply execrable. The meat was bad and the water wasn't fit to drink. The only explanation we got from the crew was they had had no orders until we got to England and the government commended their lack of taste to take us reservists from Canada and where it generally takes 7 or 8 days to cross it took us 15 as, owing to the crisis, we had to take a different course than usual. We got to England and we could not get a plain, here, as we passed Dover, the big guns over in France and it was not a pleasant time to hear of living in peace so long in Canada. I guess they mean to get us to the front as soon as possible now and no doubt by the time you get this I will be on 'the firing line'."

All my regiment, (the Lancashire Fusiliers), has been in France ever since the beginning of the war. Thousands are enlisting here every day. Everybody is asking us when the Canadians are coming over, and how many. Well, from what some of our men, who have come back wounded, tell us, there will be lots of work for them on the firing line. My regimental number is 9347, Private James Cummings. We are doing a lot of 'field work', getting into shape for what we will have to go through pretty soon.

Willow Creek

John and Mrs. Walker, of Athena, Ont., are leaving to-morrow morning for Peace, Alta., to visit a nephew, W. C. Brown, after spending a week with Mr. Walker's sister, Mrs. A. N. Brown. Mrs. Brown will accompany them to Peace, where she will spend a few days.

Mrs. P. J. Peterson returned to day from Calgary where she has spent a week visiting her brother, Andrew Stewart, of the Calgary police force.

John Stevenson is in attendance at the Irrigation Congress in Calgary this week.

John Smith found himself in a quandary with cattle hunched at a fence against which they had drifted in the snowstorm and the Creek between him and the stock.

John Smith and his mother leave to-morrow for Hanna, Alta., where Mrs. Smith will reside with her son, David.

M. F. Miller lost a half a dozen small pigs in Monday's storm.

John Bowie was in town today (Thursday) but only after a stormy battle with the snow did he accomplish the trip.

Carl Weidner accompanied a fairly lady to Calgary on Monday and rumor says "A wedding."

Chicken Pie Dinner

Owing to the condition of the roads locally, the Chicken Pie Dinner is postponed until further notice.

District Should Have Exhibited

Nick Taitinger left his home yesterday morning to entrain for the Irrigation Congress at Calgary where he has an exhibit. It took him nearly all day to get in the ten miles of badly snowed-in road. But he won the first prize on 2-mowed barley just the same. Mr. Taitinger has in the past three years done much to keep this district before the world's eye and with very little encouragement locally. This added laurel for good farming is justly his.

J. L. Salmon, of Claresholm, was first in the exhibit of hard spring wheat, handsomely topped some of the older and more experienced exhibitors.

Cannot Blame Snow

The Claresholm Public cannot offer the weather as an excuse for missing the Tuesday evening Box Social. It is to be regretted that as so much has been laid upon the Claresholm band and so little given that the boys had such a slim attendance on Tuesday night and were compelled to draw on their own resources to make the Charity Box Social not a failure. \$19.10 was taken in with only \$2.00 expenses which makes the attempt a success at least so far as keeping down expense was concerned. The promoters of this social deserved better at the hands of the citizens of Claresholm and the comparative failure of this really commendable effort for charity does not reflect credit upon our townfolk.

Five Mile

Ivan Davies lost two calves in Sunday's storm. E. W. Currence lost two calves and some pigs in the snow. Forty-head of cattle drifted with the snow, and have not all been rounded up yet.

Albert Fenton had four horses out in the storm at an old stock. The local veterinarian could not be located at first and P. M. Abel, of the School of Agriculture, went out and rendered first aid. Laver Dr. Brewster was able to go out and the horses are recovering.

C. C. L. Olmstead, who has suffered an attack of typhoid fever, is improving slowly. The baby is very seriously ill.

Paul Walters, aged 26 yrs., died at the home of Mrs. John Robertson, east of Claresholm, 10 p.m. on Tuesday, Oct. 6th, and will be buried at Claresholm, Thursday, Oct. 8th.

A few were lucky enough to get their potatoes dug and in before the storm. A few miles east the snow was very much heavier.

LOST HORSES

Strayed from the owner's premises, black pony, white stripe on face, three white feet, bolt tail, reached mane, branded (as is thought) quarter circle close over cross on left shoulder. When last seen was accompanied by grey mare, branded reverse D on left jaw and straightaway went across middle of reversed D. Suitable reward is offered. Apply J. F. Hugmann, Claresholm, Alta.

Italy is in a state of preparedness for war. Austria apologizes to Italy for the destruction of Italian fishing boats by mines off the shore of Italy. It is said that Italy will demand \$1,000,000 indemnity.

Patriotic Fund Committee Organized

A meeting of the Patriotic Fund Committee was held in the Council Hall, Claresholm, on Tuesday, 6th October, 1914, at 8 p.m. There were present: Mayor N. Holmes, J. F. Reynolds, R. S. Law, R. E. Moffatt, F. Murray, J. S. Proven, R. Forbes, Geo. Simpson, W. J. Stephen, C. F. A. Leeds, Messieurs McKimney, Coleman, Brannen and Fisher and J. R. Watt, the secretary. Owing to the wintry weather few of the committee members from the country were present. N. Holmes, Mayor, took the chair. The secretary read the circular calling the meeting and stated that he had no literature or instructions from the headquarters of the Patriotic Fund, but he read the newspaper report of the Calgary meeting. There was a long discussion as to the disposition of any funds to be collected, some being in favor of all monies going to strictly patriotic purposes, while others were in favor of retaining a portion for local relief. Finally it was moved by J. F. Reynolds, seconded by Mrs. McKimney and carried, that 60% be given to the Patriotic Fund, 25% to the Police Relief Fund, and 15% to local relief. Moved by Geo. Simpson, seconded by J. F. Reynolds and carried, that the name of the society be the "Claresholm Patriotic and Relief Society." Mrs. Tillotson and Mrs. Eric Moffatt were appointed members of the committee in the place of Mrs. Harvey and Mrs. Holmes, who were unable to act. Moved by Mrs. McKimney, seconded by R. E. Moffatt and carried, that there be an executive committee consisting of 7 members, make up of the President, Secretary and Treasurer, and 4 others. The following were appointed on the executive committee besides the officers, Mrs. McKimney, Mrs. Tillotson, Mayor N. Holmes and C. F. A. Leeds. Moved by J. F. Reynolds, seconded by R. E. Moffatt and carried, that we hold a patriotic picnic meeting on Friday, October 16th and that a committee be appointed to arrange a programme. The following committee was appointed: Messrs. Stokes, W. J. Stephen, W. G. Moffatt, R. Forbes, and J. S. Proven. Mayor Holmes was appointed to arrange for a speaker and J. R. Watt to look after the advertising. It was arranged that all parties wishing to get up entertainments or to collect subscriptions for the fund should obtain the sanction of the executive committee.

WAR COURAGE

MANY a man in Canada, will-
ing to go a-warring across
the seas, is unwilling to fight at
home--against the shadowy foes
of bad times or of business de-
pression.

This is a time in Canada when Cana-
dian business men should fight--fight to
capture new trade and to hold old trade.
To stop one's advertising is to withdraw
a powerful offensive and defensive force,
and to expose one's business without
a guard.

If the courage of manufacturers, whole-
salers, retailers--the generals and cap-
tains of trade and industry--fails, the
courage of the nation will ebb.

FURTHER we will be able to obtain the maximum efficiency in our factory production, and the minimum cost in our purchasing and sales departments IF we can reach an output of 30,000 cars between the above dates. AND should we reach this production we agree to pay, as the buyer's share, from \$40 to \$60 per car (on or about August 1, 1915) to every retail buyer who purchases a new Ford car between August 1, 1914, and August 1, 1915.

WAR COURAGE

MANY a man in Canada, willing to go a-warring across the seas, is unwilling to fight at home—against the shadowy foes of bad times or of business depression.

This is a time in Canada when Canadian business men should fight—fight to capture new trade and to hold old trade. To stop one's advertising is to withdraw a powerful offensive and defensive force, and to expose one's business without a guard.

If the courage of manufacturers, wholesalers, retailers—the generals and captains of trade and industry—fails, the courage of the nation will ebb.
